LANDING SHOWS TURK DEFENSES ARE DOOMED

Turks Claim Victory Over Bulgars; Powers Deny Report; Grim Cholera Spreads

LONDON, Nov. 18.—Two thousand marines and bluejackets from the warships of the Powers were landed at Constantinople this afternoon and although the Turkish authorities had agreed to the landing of the marines, secrecy was observed to prevent a popular uprising. Foreign diplomats deny the Turks were victorious in the vicinity of Tchatalja. They claim the action of the Powers indicates a knowledge that the Turkish defense is doomed and that they desire to assure the protection of the foreigners when the defeated troops invest the city.

The commander of the British squadron in the Bosphorus has cabled here that British marines are protecting the American embassy at Constantinople, and denied the reports that the American ship Scorpion had landed marines.

SERVIANS TAKE MONASTIR.
CAPTURING 45,000 TROOPS
BELGRADE, Nov. 18.—Dispatches report the surrender of Monastir to the Servians. The dispatch says the Servian government has been officially notified that three Turkish generals and 45,000 soldiers were captured.

Later dispatches confirm the fall of Monastir. The Servian losses were heavy and suffering after the battle was frightful.

**RUMORS OF GREAT REPULSE
OF BULGARS BY TURKS**
VIENNA, Nov. 18.—Dispatches renew the reports that Bulgarian advances on Constantinople have been checked. Belief in the report is strengthened by the changed attitude of the Moslem diplomats who are not hurrying the negotiations for peace. Sofia is silent.

The Frankfort Gazette says that hundreds of Turkish soldiers are dying daily of cholera. Trenches filled with cholera dead have been captured by the Bulgarians. Twelve thousand deaths were reported in Constantinople last week. Physicians there fear a European epidemic.

Constantinople papers on Sunday claimed that the Turks won a great victory as a result of the fighting that raged all night and Sunday along the line of the Tchatalja defenses.

The left wing of the Bulgarians including eight battalions, is said to have been destroyed and the Bulgarian right wing is reported to be in a difficult position. Eight thousand Bulgarians, the papers say, have been captured. Several guns and a quantity of munitions were taken.

The Turks are said to be marching toward Muradli. The Turkish fleet co-operated with the land forces in repulsing the enemy. The battleships, according to the current reports, fired on the Bulgarians from both the Black sea and the Sea of Marmora.

The cannonade of the artillery and the fleet was so intense that houses at Kermor Burgas, a dozen miles away from the front, were violently shaken.

**TURKISH DISPATCHES STILL
CLAIM VICTORY YESTERDAY**
ST. PETERSBURG, Nov. 18.—An official dispatch to the Turkish Ambassador confirms the report of a complete Turkish victory yesterday, and says the Bulgarians resumed the attack on the Constantinople fortifications this morning, the Turks easily repulsing them.

Dispatches from Constantinople say that there is a daily cholera increase of 3000 to 5000, with the disease apparently spreading.

People's Laundry Celebrates First Year of Success

Last Saturday marked the first anniversary of the taking over of the People's Laundry by the present management. In the evening the event was celebrated by a banquet given to the employees and some invited guests, which proved a very successful affair and cemented the ties of cordiality between the employers and employees.

The tables were set in the main room of the laundry and seventy people were seated around the well loaded boards. The menu included an oyster stew, baked beans, brown bread, sandwiches, salads, cake and coffee. Cheerful chat and merry joke made the scene about the tables an animated one. An orchestra of four pieces furnished excellent instrumental music and an impromptu program of songs and recitations gave zest to the hour following the banquet.

Dancing concluded the evening, the entire event moving along with pleasant alacrity from start to finish. Mr. George C. Roy as manager of the People's Laundry, was the moving spirit of the evening. The People's Laundry under Mr. Roy's management has taken a distinct and successful place in the community, and the event of Saturday night was a fitting close to a successful year's business.

**New Naval 13.5 Inch Gun
Explodes in English Test**
LONDON, Nov. 18.—While a new naval 13.5-inch gun was being tested Saturday at Shoeburyness, opposite Sheerness, it burst, some of the fragments being blown three miles. Thirteen persons were injured.

**E. G. Lewis Jury
Still Struggle for Verdict**
ST. LOUIS, Nov. 18.—Weary from more than seventy-two hours' strain, the jury that heard the evidence in the case of E. G. Lewis, publisher and promoter, charged with using the mails to defraud, had not been able to arrive at a verdict last night. The case went to the jury Thursday afternoon.

**Former Georgia Governor,
Joseph M. Terrell, Is Dead**
ATLANTA, Ga., Nov. 18.—Former Governor and former United States Senator Joseph M. Terrell died at his home here yesterday after a long illness. He succeeded A. S. Clay in the Senate and held the office until the incumbent, Hoke Smith, was chosen.

**Desert Wind Excited
Hunger of Albicore**
LONG BEACH, Nov. 18.—The fishing boat Leone, commanded by Captain Guy Griffiths, yesterday made a record catch here of two tons of albicore.

Captain Griffiths believes the Santa Ana wind that raged here Saturday with such fury, veiling the ocean for two miles from shore with dust, excited the hunger of the fish.

**Hal Hungarian Bachelors
Taxed for Children's Hospital**
VIENNA, Nov. 18.—By a vote of 15 to 1 the town council of Nagy Perkaia, Hungary, has decided to tax bachelors for the benefit of the children's hospital.

**Italy Plans to Build
World's Superdreadnought**
ROME, Nov. 18.—The minister of marine will soon ask the chamber for an extraordinary grant of \$24,000,000 for a superdreadnought of 36,000 tons, to be the largest and most powerful armored vessel in the world. The plans have already been drawn by Farfati Divoli.

**Orange Show Adopts
An Ambitious Slogan**
SAN BERNARDINO, Nov. 18.—"California's Greatest Midwinter Event," is the slogan adopted for the national orange show. The slogan was the result of the suggestion of Secretary Fren M. Renfro. Floor plans for the third annual citrus show are now being drawn as applications for space are being received from fruit men.

**Congressmen at
Isthmus of Panama**
PANAMA, Nov. 18.—The hearing of the Canal Department before the United States Congressional Committee will begin Tuesday. In the mean time the members of the committee are sightseeing.

ITALIAN PATRIOT IS DEAD

SAN FRANCISCO, Nov. 18.—Leonardo Anzani, a veteran of several Garibaldi campaigns, who would have been 102 years old had he lived until February 3, died here yesterday.

Anzani bore the scars of three wounds received while fighting under Garibaldi's banner. He was a lieutenant in 1860 in the Sicilian campaign. Two sons and two daughters survive.

AN EAST SIXTH STREET HOME ROBBED

Burglar Got Away With \$20 in
Money and Numerous Ar-
ticles of Jewelry

PULLED CURTAINS, USED THE LIGHTS

Latest Thievery Accomplished
Was at the Home of George
Nay at Church Hour

Last night came another burglary, making one more to add to the long list of burglaries that have occurred in Santa Ana and near-by places in the last three weeks.

The home of George Nay at 520 East Sixth street was entered last evening while the family was away at church, and articles worth between \$75 and \$100 were stolen.

The theft occurred probably between 7 o'clock and 8 o'clock. Nay locked the east outside door and put the key in his pocket, as he left for church. When he and the other members of the household returned from church they found the east door opened. The thief had used a pass-key.

On entering he had pulled down all of the curtains, and had evidently turned on the electric lights to make his search.

A purse containing \$4 and \$16 loose in a dresser drawer were stolen. Among the articles so far missed are a gold bead necklace, a gold chain necklace, a coral necklace, a rose bead necklace, a gold brooch set with emeralds, a brooch set with pearls, a gold pin for carrying a watch, two bracelets, a ring set with garnets and opals, three pair of cuff buttons.

In many of its features this burglary was much like the burglary of Mrs. F. M. Gist's home. On returning home Mrs. Gist found the curtains drawn, the lights on and a man moving about in the house. While she went to a neighbor's after help, the burglar disappeared. That burglar operated the same as the one who visited the Nay home, but at the Nay home there was no interruption.

CALIFORNIANS ON STAND IN THE TRIAL OF 47 LABORITES

INDIANAPOLIS, Nov. 18.—Today three California witnesses testified in the trial of the 47 unionists charged with illegally transporting dynamite. Joseph Brigham of Los Angeles, car conductor, recounted the removing of an infernal machine from the home of F. Zeehandelaar. Detective Rice of Los Angeles recounted the opening of the machine and testified that he found dynamite under the porch of the H. G. Otis home.

William Flinn, powderman of Cincinnati, testified that he packed 500 pounds of dynamite for Jim McNamara.

INDIANAPOLIS, Nov. 18.—Rice testified that the "dynamite" at the Otis home was in a suit case, and was carried across the street. He noticed a ticking sound. He set the suit case down, then beat it. The thing exploded, breaking nearby windows.

It was learned today that practically all the defendants will insist on testifying in their own defense. Many assert they will call fifty witnesses. The trial threatens to be interminable.

GIOVANNITTI TAKES STAND TODAY IN HIS OWN DEFENSE

SALEM, Mass., Nov. 18.—Arturo Giovanni, accused with Joseph Etor of murder during the Lawrence textile strike, took the stand today in his own defense.

DEMURRER IN BONDS CASE IS SUSTAINED

Clyde Bishop, city attorney of Newport Beach, won a decision today in the suit brought by G. H. L. Griest in an attempt to break Newport Beach's \$25,000 electric light bonds. Bishop demurred on the ground that the sale of bonds cannot be enjoined. Judge West today sustained the demurrer. Evidently in Judge West's opinion there is no merit in the contention of Attorney Wilson, representing Griest, to the effect that the beach city should first have received permission from the Railroad Commission before attempting to establish a light plant.

SANTA ANA WILL PROFIT BY CUT LIGHT RATE

State Railroad Commission to
Soon Order Reductions for
Nineteen Cities

8 CENTS TO BE MAXIMUM ELECTRIC LIGHT RATE

Cut Will Aid 27,000 Consumers
Saving of \$104,000

(The Santa Ana electric light rate is nine cents at present.)

SAN FRANCISCO, Nov. 16.—Orders for a reduction in light rate in Southern California which will affect 27,000 consumers and cause an annual saving of \$104,000, will be shortly issued by the State Railroad Commission. The cities which will profit by the new rates are Pomona, Claremont, Lordsburg, Redlands, Monrovia, Inglewood, Chino, Sierra Madre, Whittier, Santa Monica, Venice, Sawtelle, Redondo Beach, Hermosa Beach, Santa Ana, Orange, Fullerton, South Pasadena and Alhambra.

The Southern California Edison Company, which has hitherto collected a maximum rate of 10 cents per kilowatt hour, will be ordered by the commission to reduce this rate to 8 cents per kilowatt hour.

The case is one in which the commission acted on its own initiative in arranging the rates and the reduction is based on an elaborate investigation into the financial affairs of the company. No opposition, serious enough to necessitate a public hearing was made by the company. The new rate will go into effect on January 1.

The attention of the commission was called to the unreasonable rate in the above named cities when the hearing of the petition of the city of Pasadena against the electric company came up some weeks ago.

Discrimination Shown

An exhibit showed the rate charged in other cities than Pasadena, where it had been reduced to 4 cents in order to cripple the municipal project. The commissioners saw the array of recent rates and at once gave notice that they were ready to reduce them. They explained that they had made a thorough investigation of electric production and that they had fixed on 8 cents as the maximum they would allow.

WEATHER INDICATIONS

Snow Predicted in Northern Pacific
States During Much
of Week

WASHINGTON, Nov. 18.—Pressure contrasts over Northern hemisphere are sharply defined at present, with abnormally high barometer over Asia, the United States and the middle Atlantic ocean and abnormally low barometer over the central and North Pacific ocean and Alaska. This indicates that the prevailing fair weather will continue during the week over the central, southern and extreme western portions of the country, with a tendency toward somewhat higher temperature by Tuesday.

Rains or snows will set in early over the North Pacific states and the far northwest, continuing during much of the week, and extending eastward over the northern portion of the country, reaching the upper lake region about the middle of the week and the northeastern districts toward the end of the week.

There are no present prospects of unusually cold weather over any portion of the country.

TWO MEN KILLED AND TWO HURT IN AUTO ACCIDENT

LOS ANGELES, Nov. 18.—Failure of the driver of an automobile, William McCarty, thirty-five years old, 1102 South Union avenue, to see a Pacific Electric freight train at Ninth and Tennessee streets, shortly after four o'clock yesterday morning, resulted in a head-on collision which almost instantly ended the life of E. L. Downing, thirty-five years old, a resident of San Francisco, and of John McCall, thirty years old, of San Francisco. McCall passed away at the Receiving hospital three hours later. F. P. Chaffield, thirty years old, residing at the Welton hotel, 507 Maple avenue, and McCarty were taken to the Crocker Street hospital.

The four men were returning from Vernon and were proceeding west on Ninth street at a speed estimated by witnesses to have been more than forty miles an hour.

HOW TO PREDICT WEATHER

A rule for predicting the weather which he claims has stood the test of forty-two years, was recently explained to the Los Angeles City Club by Prospero Barrows, a member.

The rule is for predicting dry weather and is as follows: Note the day that a fog first appears. There will be no rain for two weeks from that date. Note the horizon at sunset and if it is clear there will be no

GOOD LUCK ONLY KEPT TRUCK'S WRECK FROM KILLING FIVE PEOPLE

Isaac and Robert Squires, Saved by Ditch
Lift Bed of Burning Machine and Rescued Their Mother and Sisters

By the most remarkable fortune, Mrs. Robert Squires, wife of Under-Sheriff Robert Squires, and two sons and two daughters escaped death yesterday about noon when a big auto truck backed down hill with them, turned over and burned up.

Had the truck turned over at any other point on the road, doubtless Isaac and Robert Squires, Jr., would have been killed outright, and Mrs. Squires and her daughters, Harriet and Esther, would have been held beneath the heavy bed and burned to death.

The accident occurred on the old Trabuco road near El Toro. Isaac Squires has been farming at the old Portrero place near El Toro. Yesterday he came to Santa Ana to take his parents and two sisters and youngest brother to his home for a visit. Under-Sheriff Squires was called to Anaheim on police business, and could not go. Isaac and Robert, Jr., aged about 17, rode in the seat of the auto truck that belonged to the Pioneer Truck Company, now conducted by Elwell Squires. Mrs. Squires and the two girls, aged 14 and 16, rode in the bed of the truck on some hay, there being several bales on the truck. The bed had heavy sides, being fitted up for hauling furniture.

The first hill was mounted without difficulty. The second hill was climbed with ease until almost at the top the main shaft snapped, and in an instant the big truck was backing down the road. The speed increased so rapidly that no one could jump. For 150 yards Isaac held the machine in the road, though it was backing at a high rate of speed.

Near the bottom of the hill was a wooden culvert over a ditch about two feet deep. The rear wheels of the truck crossed the culvert just as the machine went over. The front seat fell squarely over the open ditch. That alone saved Isaac and Robert from being crushed to death instantly.

They had just room enough to crawl out, which they did, neither of them much more than scratched. They crawled out as quickly as possible, but not before the front part of the machine was afire. The gasoline tank had burst and the inflammable stuff was afire from the engine.

Mrs. Squires and the two girls were pinned down under the bed of the truck. Had Isaac and Robert been disabled, they could not possibly have gotten out. Another thing that worked for their rescue was the fact that when the tremendous frame of the truck went over on top of the bed, the whirl was such as to rip the frame loose from the bed. Nearly every bolt was torn out, and the immense frame was off the bed, except at the front end. Had it not been loose in that way, Isaac and Robert could never have lifted the wreckage to free their mother and sisters.

As it was, with the fire spreading fast, they seized the heavy bed, and lifted it so that the mother and two girls could crawl out from under the weight that held them prisoners.

It was impossible to stop the progress of the fire. In a few minutes the entire bed was afire. The boys pulled out three bales of hay and saved them. Everything else wooden except a part of the wheels, was destroyed.

Mrs. Squires and her four children started to walk the rest of the way to El Toro, thankful that they had gotten out alive even though the \$1500 truck was destroyed. They were picked up by a near-by rancher, Mr. Forbes, and in his wagon were taken to Isaac's home.

Under-Sheriff Squires knew nothing of the accident until evening. In his automobile he was on the way to El Toro to get his wife and daughters and Robert. He started up a hill, and beside the road he saw a smoldering mass of wreckage. One wheel lay off to one side.

In an instant the thought struck him: "There's the old truck."

A second glance convinced him that he was not mistaken.

Isaac and Robert escaped almost unbruised. Mrs. Squires and the girls have no bones broken, but they were frightfully shaken up and severely bruised. Mrs. Squires has one shoulder that is very sore.

THE LATE GENERAL TORRES WAS NOTED INDIAN FIGHTER

LOS ANGELES, Nov. 18.—General Lorenzo Torres, who passed away at his Grand avenue home Saturday afternoon, was known a few years ago as Mexico's greatest Indian fighter. The name of Torres struck terror to the wily and belligerent Yaquis of the west coast states, and it was Torres who awed tribesmen into complete resignation when many an uprising seemed imminent.

General Torres was an august strategist as well as an aggressive fighter, and his aid, which was frequently sought by former President Porfirio Diaz, contributed materially to the preservation of the iron hand rule.

TWO MILITARY CONVICTS ESCAPED FROM ALCATRAZ

SAN FRANCISCO, Nov. 18.—Although the civil authorities are aiding the military, no trace was found today of Thomas Franey and Michael Mullin, the ex-cavalrymen who escaped from the Alcatraz Island military prison, where they are serving long terms. The men are supposed to have escaped to the mainland on a raft.

**LONG BEACH TOOK
SAN DIEGO GAME**
LONG BEACH, Nov. 18.—The Long Beach High School football team kept its record clean Saturday by winning a fast game from San Diego High School by a score of 21 to 13. The game was marked throughout by fast playing and at the opening of the game it looked as if the visitors from the south were going to be the first players to defeat the local lads.

PROBABLE RETIREMENT OF THE REV. CHAS. H. SECCOMBE

It seems probable that Rev. Chas. H. Seccombe will soon retire from the pastorate of the First Congregational church of Santa Ana. A week ago he submitted his resignation, which came up for consideration at a meeting of the church after yesterday morning's service. A resolution was unanimously adopted expressing confidence in and esteem for Mr. Seccombe, and high appreciation of his services as pastor of the church; and a motion to accept his resignation was voted down. Mr. Seccombe exchanged pulpita yesterday with the pastor of the Pomona Congregational church and has not yet returned home. Mrs. Seccombe today declined to express an opinion as to whether or not Mr. Seccombe

John Veiser Urges Roosevelt to
Fight for Progressivism in
Republican Party

SAYS PARTY HAS BEEN DELIVERED FROM GANG

Declares Roosevelt Can do
Great Service for the Re-
generated Party

OMAHA, Nov. 18.—It is admitted here that a prominent Progressive is behind a movement to induce Colonel Roosevelt to return to the Republican party, and fight for Progressivism therein.

Professing to voice Nebraska sentiment, John O. Veiser of Omaha, a Progressive leader of the recent campaign, has sent Colonel Roosevelt the following letter urging him to abandon the third party movement:

"Your fight was not against the rank and file of the Republican party, an overwhelming majority of which is honest, but against the few crooks who have obtained control. The people were with you at Chicago, and you were justified in starting the backfire, in which you trimmed the political embezzling officials. You can now do great service for the regenerated party of past honor. You declared you could not stand with the old party as it is constituted, and the result is that it is now very differently constituted. You have never committed yourself permanently to any new party, only to Progressive principles. The new party merely was a temporary party or protest to prevent the delivery of the party of honor to a gang of thieves."

RAILROADS LOOK FOR PROSPERITY— DO NOT FEAR CHANGE

LOS ANGELES, Nov. 18.—"The railroads of the country are looking forward confidently to a steady continuance of the present prosperous conditions and do not feel the slightest fear on account of the change in the National administration," said A. J. Creig, vice president of the Frisco System, who stopped over at the Alexandria yesterday, en route from San Francisco to his home in St. Louis.

Accompanying Mr. Creig was J. S. Eldridge, connected with the purchasing department of the Frisco System. The party, which is traveling in a private car, has just completed an exhaustive inspection of the railroad companies' land in Arizona and Nevada.

CHINESE TROOPS RUSHED BY YUAN ON TO MONGOLIA

PEKIN, Nov. 18.—Several divisions of Chinese troops are being rushed to Mongolia where Russian encroachments are reported as increasing. The President's orders are said to have caused this troop movement. Belated dispatches say the situation is of the gravest.

LAND PRODUCTS SHOW OPENED TO- DAY IN PORTLAND

PORTLAND, Nov. 18.—The Northwest Land Products Show opened today. More than one thousand exhibits featured products from every county in Oregon. Valuable exhibits exploit Washington, Idaho and British Columbia.

HOLLANDERS WILL BUILD \$1,000,000 FLOURING MILLS

SPOKANE, Wash., Nov. 18.—Rumors are current here that Holland capitalists who are interested in flour mills here plan to spend \$1,000,000 in the erection of similar plants next spring at Tacoma, Seattle, Portland and Vancouver.

L. C. Lens, manager of the local plant, who has just returned from abroad, said today that he had no in-

QUICK MOBILIZATION

It took the last regiments nine days to get into the San Antonio camp during the toy mobilization of the spring of 1911. At the end of two weeks from the issuance of the order at Washington, the entire equipment was not complete. Had the order to cross the frontier been given, the men could not have proceeded under proper conditions.

In the Balkans war was declared only Oct. 17. Before the alert diplomats of Europe had rubbed the sleep out of their eyes, the Turkish military power had been smashed in a series of bloody battles. In three weeks from the date of the declaration of war, the allies were hammering at the gates of Constantinople.

And yet the American people would laugh at little Bulgaria as a semi-barbarous people. All which goes to show that some lack of civilization is more consistent with business methods of handling an army than politics.

A requisition was once drawn on the departments at Washington for 53 cents. The charge grew out of the removal of a thermometer from its position on a battleship a few feet to some other position. One of the skilled mechanics on the ship could have done it in about one minute. But the ship happened to be docked for repairs, and technically it had to be done by a man from the repair gangs.

This man used up 50 cents of time going and coming, and three cents was charged for the nail and wear and tear of hammer head. Which illustrates the crust of red tape that smothers army efficiency.

Army and navy methods have enormously improved since the Spanish war. But much remains to be done. In the time it took the war department to assemble a division at San Antonio last year, a German official could have pressed a button and placed an army on the American coast.

COUNTY HOSPITALS FOR THE TUBERCULOUS

In 1909 a law was passed in New York state authorizing the establishment and maintenance in each county, by its board of supervisors, of its own hospital for the tuberculous. The New York State Department of Health in conjunction with the State Charities Association of that commonwealth, has since been striving to make this law effective, with gratifying results. Twenty-one counties have decided to build such institutions, some of which, indeed, are in operation; and it is hoped that by the end of the present year thirty will be projected, representing action by more than half of the counties in the state.

The representatives of the department of health and of the association, have had to do considerable educating; especially has this been so in the rural districts, where there seems to be a false sense of security regarding tuberculosis. In planning the county hospitals the number of beds are computed as two-thirds the average of tuberculosis deaths in the county, the cost of construction about \$500 per bed and the maintenance about \$125 per day for a patient. The expenditures (which are to be met by the taxpayers of the respective counties) would be insignificant in comparison with the sums the public pay for good roads and the erection and maintenance of armories, orphan asylums, jails and prisons. Besides, money put into the county tuberculous hospital will help to close up many an almshouse and many an orphan asylum; for this disease (the most deadly in the most productive period of human existence) is one of the greatest causes of pauperism, and probably the greatest single cause of orphanage.

WHO PAYS FOR ADVERTISING?

Skeptics about advertising have been known to raise the question as to who pays for all this publicity, and even to allege that its cost is loaded on the consumer.

This is logic of about the same correctness as to say, when a store makes an addition to its sales force in order to handle its growing business, that the cost of the new salespeople is added to the cost of the goods.

For advertising is simply a form of salesmanship, and the most efficient kind.

The growth of business that a store gets through advertising works to the advantage of the public. In every business are certain fixed charges usually called "overhead costs," for rent, salary of manager, if one is em-

ployed, interest on capital invested and borrowed money, insurance, etc. It is usually the case that when a business is increased, the overhead costs do not increase very much. Consequently they become a smaller charge on every dollar of goods sold. The cost of advertising is paid through this increase of business that reduces the overhead charges.

Furthermore, it tends to reduce the proportional expense of salespeople. Good advertising should double the work the salespeople have to do, but the force of clerks is not necessarily doubled. Much of their time before was unoccupied, and spent in listless loafing, as tiresome to the clerk as it is unprofitable to the employer.

If a merchant doubles his business and increases his salespeople 50 per cent to get the work done, a fourth of the expense of clerk hire that has to be charged up to each article sold is saved. That will pay for a very big advertising bill, and leave a profit over.

WINNERS IN LAST ISSUE OF AD. CONTEST

Last Friday's issue closed the alphabetical ad. contest, which has become very popular with Register readers in the last three months. The words misspelled were "repairing," incorrectly spelled "reparing," in George C. Post's ad., and "tailored," misspelled "tailored," in E. Larsen's advertisement.

Mrs. Susie Knight, 522 East Washington avenue, was the owner of the first coupon chosen, thereby gaining the right of choice.

Mrs. J. A. Parks of 1408 North Main street was the second winner. One contestant filled out the ads. in which the misspelled words appeared but failed to send a name with them, while several still persevere in the belief that picture molding is incorrect unless spelled "moulding."

Those who sent correct answers were:
Mrs. W. D. Moore, Mrs. J. H. Stahl, Ralph Cole, Muriel Cravath, W. C. Dunlap, U. C. Jameson, Joe Judd, Mrs. J. A. Parks, A. E. Tinkham, James Finley, Velmer Vestal, Clarence H. Wilson, Morton Bishop, Glen Sturdevant, Miss Flora McFadden, Gladys Davies, Arthur Confer, Master Carl Wieseman, Mrs. Chas. S. Osborn, Mrs. E. O. McKinney, May Saltes, Mrs. Charles Whitney, Edward Stuart, Herman Koepsel, Gertrude L. Record, Mrs. L. Hatch, Katherine Beswick, Mrs. R. H. McArthur, Clara Stevens, Clara Manderscheid, Miriam Davis, George L. Allison, Madeline Keech, Mary McCarter, L. A. Weatherford, Lillian Knight, Mrs. Susie Knight, Ella A. Wilson.

FRENCH WOMEN IN APPEAL FOR VOTES TO PRES. FALLIERES

PARIS, Nov. 18.—The Votes for Women Society has forwarded a petition to President Fallieres requesting that before leaving the presidency he exercise his prerogative in the direction of granting female suffrage and reminded him how often he has welcomed visiting queens as the collaborators in their husband's missions to France and expressing the hope that he will assist the French women to become collaborators of the French electors.

CALVE MAY LOSE FULL USE OF HER SPLENDID VOICE

ST. LOUIS, Nov. 18.—Mme. Emma Calve, the prima donna whose Carmen has enthralled three continents, may never have the full use of her voice again.

The celebrated diva was forced to cancel her engagement at the Olympic Theater last night, at nearly the last moment and is confined to her room at the Jefferson hotel. Two throat specialists are attending her.

Chicago air is blamed for aggravating a heavy cold from which the French diva was suffering.

TRAVELING MEN WANT BALLOT

CHICAGO, Nov. 18.—Obtaining the passage of an amendment to the federal constitution to prevent the practical disfranchising of the majority of commercial travelers of the United States under the non-resident clause, and to enable them to vote by mail, is the task the National Association of Traveling Men has set for itself. It will be taken up at the annual convention in this city December 30.

ST. VINCENT AT 25TH MILESTONE

Los Angeles Catholic Church Celebrates Silver Anniversary of its Founding

LOS ANGELES, Nov. 18.—A solemn mass of thanksgiving was celebrated yesterday morning at St. Vincent's church, Grand avenue and Washington street, in honor of the twenty-fifth anniversary of the founding of the church. Bishop Conaty preached the sermon to a congregation which packed the church to the doors.

Father Linn, a former pastor of the church, was the celebrant at the mass. Father Reardon of Long Beach was deacon and Father Le Sage sub-deacon. The Bishop was assisted by Father Gleason and Father Webber of Fresno.

SOLDIERS' HOME PROBE OPENS SOON

Senatorial Committee Will Assemble Today for Action in Los Angeles

LOS ANGELES, Nov. 18.—Arrangements for the conducting of the investigation of the Soldiers' Home by the Senatorial Committee composed of Senators Chamberlain, Jones and Catron, which is to open Tuesday, are now being completed. It is expected that the hall in which the sessions will be held will be announced today. It is the intention of the committee to secure a hall large enough to admit all witnesses in the investigation and all of the veterans who desire to attend. Senator Chamberlain is now in the city and Senators Jones and Catron are expected to arrive today.

REVOLUTIONARY PLOT ADDS TO CONSTANTINOPLE'S MISERY

CONSTANTINOPLE, Nov. 18.—A great sensation was caused today by the news of the discovery of a Young Turk plot to establish a republic under Mahmud Shuket Pasha, the Young Turk military leader who so successfully planned the revolution which overthrew Abdul Hamid, and who, until a few months ago, was Minister of War, when he was replaced by Nazim Pasha. It was planned to carry out the coup d'etat in a day or two. The recent activity of the Young Turks, however, aroused suspicion. Several volunteers were enrolled to spread discontent in the army. When the plot became known the government immediately ordered the arrest of the chiefs of the committee of union and progress. Thirty were arrested at dawn. The prisoners include Emrouh Bey, ex-Minister of Public Instruction, two ex-deputies and several prominent journalists. Sjauid Bey, ex-Minister of Public Works, managed to escape on a Russian ship. Arrests were also effected in Smyrna, Trebizonde and other places.

With revolution at home, cholera in the army, and an implacable enemy at their gates, the citizens of Constantinople are ready to greet surrender.

TAKES TREASURER'S OATH TOMORROW

As Carmi Thompson Goes Into Big Office Hillis Will Again be Taft's Secretary

WASHINGTON, Nov. 18.—Carmi A. Thompson of Ohio, secretary to the President who has been named, will be sworn in next Tuesday as United States treasurer, succeeding Lee McCung, who resigned several days ago as a result of friction with Secretary MacVeagh, Charles D. Hillis, chairman of the Republican National Committee, will return to his former position as secretary to the President.

OREGON WOMEN CAN VOTE BUT NOT DO JURY DUTY

PORTLAND, Ore., Nov. 18.—There will be no "women juries" in Oregon. Since no right of franchise has been granted women in this state the first discovery of the fact has been made by many women and men that jury duty is denied women. The state code expressly provided that all juries, grand, petty, coroners' and otherwise, shall consist of a "body of men."

GREAT SNOW IN QUEBEC

QUEBEC, Nov. 18.—The greatest snowstorm in the history of the city, with two feet of snow took place this morning. The street cars are not running. Ferry service has been abandoned and the railroads are tied up throughout the province. Twenty river boats are reported as in distress. The department of marine and fisheries in Ottawa have ordered government steamers to the rescue.

1,500 PEOPLE AT POPULAR CONCERT

Los Angeles Will Have Permanent Feature of Popular Priced Sunday Concerts

LOS ANGELES, Nov. 18.—Fifteen hundred persons attended the second popular-priced concert of the People's orchestra at the Auditorium yesterday afternoon.

The price and the music seemed equally popular, and enthusiasm was such as to inspire the leaders in the work, as well as all of the musicians with renewed confidence.

The popular concerts at 25 cents per seat will be made a permanent feature of Los Angeles musical life if the project is supported in numbers as great or greater than that at yesterday's event.

Nearly 1000 more persons were present yesterday than on the first Sunday, and if the popularity of the concerts reach a degree marked by an attendance of 2500, the ambitions of the Artists' Bureau of the Southern California Music Teachers' Association will have been fully realized.

Purposes Explained
Yesterday the purposes of the concerts were explained by Mrs. L. J. Selby, president of the Dominant club, an organization of more than fifty women music teachers. It is the hope to aid aspiring musicians as well as to place the best music within the reach of all, she said, and she called on her hearers to help the concert project by telling their friends about it.

The popular-priced concert, she said, was not as many had imagined, a one-man affair. The fact that half a hundred of her club members were supporting the undertaking with night and main, proved that conclusively, she said. She said the concerts were to be "popular" in every sense of the word, and that they were not intended and should not be used for the private gain of any one.

Santa Ana People Give Credit Where Credit is Due

People of Santa Ana who suffer with weak kidneys and bad backs want a kidney remedy that can be depended upon. Doan's Kidney Pills is a medicine for the kidneys only, and one that is backed by willing testimony of Santa Ana people. Here's a case:

I. W. Parsons, 402 W. Fourth St., Santa Ana, Cal., says: "Several years have passed since I first publicly recommended Doan's Kidney Pills and now, as I did at that time, I claim that they are the best kidney medicine on the market. I have used them off and on as occasion has required and have never failed to get relief. Some time ago the kidney secretions became too frequent in passage and caused me annoyance. I commenced taking Doan's Kidney Pills, procured at Dean's Drug Store (now Wheeler & Mateer's Drug Store) and the contents of one box greatly strengthened my kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.—Advertisement.

MRS. LESH IN MISSOURI

Held at County Jail But Not in Cell—Feels No Regret Over Confession

SEDALIA, Mo., Nov. 18.—Mrs. Pansy Ellen Lesh, who confessed in Los Angeles to having murdered two women in Missouri, arrived here yesterday in the custody of Sheriff M. T. Henderson. She is being held at the county jail, but is not locked in a cell, the sheriff declaring such precaution unnecessary. Sheriff Henderson scoffs at the idea that the woman is insane.

"I have never regretted my confession to the Los Angeles police and I am prepared to take my punishment, whatever that may be," Mrs. Lesh said to friends here today.

Ambassador to France Comes Home to Aid Proposed Farmers' Land Banking Plan

PARIS, Nov. 18.—Ambassador and Mrs. Herrick were in London Thursday and were the guests at Ambassadors and Mrs. Reid's dinner for William Phillips, the retiring American secretary at London, and Mrs. Phillips. Ambassador Herrick sailed from Liverpool Saturday on the steamship Mauretania to attend the governors' meeting in Washington December 3, to consider the proposed farmers' land banking scheme, on which he made important recommendations to President Taft. Ambassador Herrick expects to return here for Christmas.

MANY LISTENED TO EX-CATHOLICS AT EMANUEL CHURCH

Large audiences were at Emanuel Baptist church Sunday afternoon and evening to hear the two converted Catholic preachers now conducting special meetings at this church. In the afternoon Mr. Leyden spoke on the "Danger Ahead," and Why Our Public Schools are Condemned by the Romanish System."

In the evening the ex-monk, Rev. H. A. Sullivan, told why he left the priesthood.

"Tonight Mr. Leyden will speak on 'The Rock—Is it Christ or the Pope?' The meetings will continue every evening this week.

Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all druggists.—Advertisement.

A LINEN SHOWER

Delightful Affair Given for Miss Elva Witt by Mrs. Miller and Mrs. Elliott

Miss Elva Witt is being feted prior to her marriage to take place on November 21. A delightful affair, a linen shower, was given for her on Friday afternoon at the home of Mrs. Frank B. Miller, 1314 Bush street, Mrs. Miller and her mother, Mrs. T. D. Elliott, being hostesses.

The house was decorated throughout in pink and white, carnations being used profusely, plumose ferns mingling with the fragrant flowers. A delectable two-course luncheon was served, and in the dining room the table for the bride-to-be, her mother and her closest friends, was charmingly decorated. A gilded horseshoe was suspended over the table and from the good luck symbol swung streamers of pink ribbons to each corner of the room. From the streamers hung envelopes guiding to the dainty linen gifts showered on the complimented guest. Refreshment tables for the other guests were set in various rooms of the house and all were lighted with pink and white candles.

The games of hearts and rook were played in the afternoon, Mrs. E. L. Eckley and Miss Esther Patterson assisting the hostess in scoring as well as in serving.

Besides the ladies mentioned and the guest of honor, Miss Elva Witt, her mother, Mrs. M. Witt, and her sisters, Misses Anna and Clara Witt, there were present Mesdames William Elliott, Jabe Hill, Joe Habbitt, Henry Witt, Oscar Witt, Joe Witt, P. T. Beisell; Misses Lillian Rutherford, Winnie and Lizzie Perkins and Bess Trumpey of Santa Ana; Miss Lois Park and Mrs. Harry Huff of Orange.

Charitable Action

Rev. B. C. Johnson of the Free Methodist church accompanied Ruby Gonzales, the little Spanish girl whom the Woman's Missionary Society of that church hopes to educate, to the church seminary at Hermosillo, Cal., this morning.

This bright-faced little Spanish girl appeared at Sunday school several months ago and showed such a desire for learning that the women of the Woman's Mission Circle felt that it might do a great deal of good for the cause to take the girl, who looks to be about 12 years old, out of the necessarily hard life at home, where there are six other daughters, and endeavor to give her the education which she craves.

California Artists to Exhibit

There are many lovers of art in Santa Ana who will be interested in knowing that a two weeks' season art exhibition will be given in Los Angeles by the California Art Club. It opens with a reception this week to which several hundred invitations have been issued. The exhibit will then be open to the public for two weeks.

We have succeeded in arranging with Miss S. Cave, chief assistant to Prof. C. L. DeLano of Los Angeles, to take charge in the Conservatory of pupils in Mandolin, Guitar, Banjo and that beautiful Hawaiian instrument now so much in vogue, the Ukulele. Prospective pupils should apply at once as we desire to organize an orchestra immediately.

ROYALLY WELCOMED

Recent Hospitable Affair for G.A.R. Veterans and W.R.C. Will be Long Remembered

It is doubtful if the guests of the old Washington mansion at Mt. Vernon of "ye olden time" could have ever had a better time, been extended a more cordial welcome or been more royally entertained than were the veterans of the Grand Army and the members of the W. R. C. at the home of Washington Rolfe and his estimable wife last Thursday.

Nearly one hundred persons accepted the generous invitation, going out on the morning cars from where they whisked out to the Rolfe homestead in the automobiles that met all cars up to noon at which time the guests sat down to a fine chicken dinner. The tables fairly groaned with good things to eat—roast chicken with oyster dressing, chicken a la Maryland, chicken pies, pressed meats, flaky mashed potatoes, beans, hot biscuits, cranberry and chile sauce, Jellies, pickles, olives, celery, cottage cheese, fragrant coffee with thick cream, pumpkin, mince and apple pies, delicious cakes, grapes, apples, home-made candies, nuts, raisins, and in fact, everything that can be found on a well stocked farm abounding with a golden harvest. Just before seating the guests the host and hostess sang in duet, "Praise God From Whom all Blessings Flow."

Other ladies assisting Mrs. Rolfe were her daughter, Mrs. Birdie Reeks; her sister, Mrs. Julia Garrison, of Los Angeles; Miss Emma Holly, and Mrs. Mary Richardson.

Pepper boughs, plumose fern and many flowers had been used in and outside of the house until it looked indeed like a real "Garden Grove."

Pink carnations adorned the tables of which there were four large ones, resplendent with crystal glass and silver.

Pink roses were used in the dining room and parlors where the guests adjourned later. No set program was necessary for Mrs. Ella Wilson, president of the W. R. C., with her made-over old maid, chatted as some one was heard to remark, "like a flock of geese," as they piled their needles, busy with Christmas fancywork, while commander J. M. Talcott with his squad of Grand Army boys told their intensely interesting and never-to-be-equalled army tales so dear to their hearts and which add a thrill to their unions. The moments sped altogether too fast ere the McKune brothers together with others, fled up with their automobiles to take the guests to the cars and start them homeward bound. All were happy with the thought of the day's pleasures, and their hearts were filled with gratitude toward the host and hostess, who heartily extended an invitation to all to come again.

"Eye Journeys"

"Eye Journeys" with the stereopticon with Prof. Lloyd B. Austin as guide, are being arranged by the county committee of the Y.M.C.A. for seven places in Orange county. Prof. Austin is educational secretary of the Los Angeles Y.M.C.A., and has been secured by the county committee to give this series of lectures. His subjects are: "Through the Yellowstone on Foot," and "We Three and the Yosemite."

The following is the schedule of places and dates:

Monday, Nov. 25—Anaheim, Fremont School.

Tuesday, Nov. 26—Santa Ana, Spurgeon's Hall.

Wednesday, Nov. 27—Fullerton, Bank Hall.

Thursday, Nov. 28—Orange, Campbell's Hall.

Friday, Nov. 29—Placentia School building.

Monday, Dec. 9—Garden Grove, Y. M.C.A. building.

Tuesday, Dec. 10—Huntington Beach, Odd fellows Hall.

Tickets will be sold for 25 cents for adults and fifteen cents for pupils below 16 years.

The proceeds of these entertainments will be applied on the fund the county Y.M.C.A. is raising for a county automobile. Friends of the cause are asked to purchase tickets early.

Birthday Dinner

J. R. Wilson of 1911 Spurgeon was given a pleasant surprise the first of the week when at noon about twenty relatives and friends walked in to join him in a sumptuous chicken dinner. His wife had arranged the affair in celebration of his birthday.

Birthday Party

On Friday afternoon the sixty-sixth birthday of Mrs. Mary Hoffman was observed very happily with a surprise party at her home, tendered by her daughters, Mesdames Claude Carnahan, A. F. Swarthout and Frank Houman.

The afternoon was spent in needlework and conversation with the serving of light refreshments combined to make the afternoon a pleasant one. Ferns and roses were used in house decorations.

Those present besides Mrs. Hoffman were: Mesdames Joe Baker, Willis Blee, Chas. Carey, Lloyd Carey, Yingling, Joynton, Caldwell, Runyon, Asa Hoffman; Miss Nellie Grant of Santa Ana. Out of town guests were Mrs. Cole of Oregon, Mrs. Harry Barnes of San Juan Capistrano, Mrs. Will Smith of Streeter, Ill.

On last Saturday afternoon Mrs. Richardson gave a class party at her hospitable home in honor of her music class. Owing to the wind there were not as many present as expected.

Quite a number of selections were played by the pupils, and Mrs. Richardson favored them with an instrumental solo. The dining room was decorated in roses and ferns, and the parlor in chrysanthemums and ferns. The refreshments were of meat sandwiches, cheese sandwiches, strawberry ice cream and cakes of different kinds.

Personals

Mr. and Mrs. W. S. Cutler and Miss Evelyn Cutler were down from Los Angeles yesterday to visit Mr. and Mrs. Ed. Nelson, the latter being formerly Miss Caroline Cutler. The principal object of the visit, of course, was to see the little son who is now ruling the affairs of the Nelson household. The Cutlers returned to the city last night. Mrs. Cutler has but recently gotten back from an eastern trip.

Mr. and Mrs. O. H. Hall, Jr., spent Saturday night and Sunday with their parents here, returning to Los Angeles Sunday evening.

Rev. Albert P. Davis, who exchanged pulpits with Rev. Chas. H. Seecombe of the First Congregational church of this city yesterday, the occasion for the exchange being "Home Mission Day," returned to his home at Pomona this morning.

Mrs. Grace Freese returned to Los Angeles this morning after a pleasant week-end visit to her brother, W. B. Snow, and family. She was accompanied home by Mrs. Hugh Plumb, and baby, Donald, who will spend the day in the Angel City.

Mrs. Margaret Warner and her daughter, Miss Margaret Ore, were Los Angeles visitors for the day.

Miss Marie Martin spent the week-end at the C. S. Crookshank home.

Mrs. Sam C. Newnes and baby, Madeline, returned to their home at Anaheim this afternoon after a visit of several days to friends in this city.

Rev. Rufus Chase was a passenger to the Angel City on an early car.

Mrs. W. L. Grubb and daughter, Miss Louise Grubb, spent the day in Los Angeles.

Mr. and Mrs. Harry Barnes of the mission town of San Juan Capistrano, spent the week-end with Mrs. A. F. Swarthout.

An automobile party composed of H. W. Walker and wife, Walter and Mary Collins went to Pasadena Saturday to witness the Pomona-Oxy game. They spent Sunday with the J. E. Bunkers of Monrovia, returning today.

Christian Revival
Don't forget the meetings at the First Christian church. Large crowds attended the services yesterday. The solos given by Miss Witt and Mr. Neeley were very effective. An unusual interest is being manifested. Mr. Crittenden will have charge of the music throughout the week. A special service next Lord's day. The subject for this evening will be "Sources of Infidelity."

ARMORY DRESSING ROOM PILFERED SATURDAY NIGHT

As the result of a visit from a "lifter," who slipped into the men's dressing room of the Armory Hall Saturday night while it was vacant, three of the men attending the dance are short on clothes. Hugh Gale and Max Royer of Anaheim found their overcoats missing and Nelson Stafford was shy a hat "after the ball was over." A visitor with "taking" ways had taken as much as he could carry. Every effort will be made to locate the thief.

TUSTIN MAN IS VERY LOW WITH APOPLEXY

W. C. Crawford to Tustin, director of the Tustin Bank and of the Santa Ana Wholesale Grocery Company, is critically ill at Hemet. Last Wednesday with his wife and Mr. and Mrs. S. H. C. Ritzer he motored to Hemet to attend the meeting of the Santa Ana Valley Baptist Churches Association. He was taken ill with what was first thought to be liver trouble. Later, however, he became worse, and his physicians state that he is in a critical condition with apoplexy.

GOODMAN ESTATE IS QUARTER OF MILLION

J. N. Anderson and Max Reinhaus of Santa Ana and S. G. Morshutz of Los Angeles were busy a large part of last week in making an appraisal of the estate of Joseph Goodman of Fullerton, who died recently. The indications are that the value of the estate will be over \$250,000.

In order to reach the valuation of the Goodman estate, the appraisers have found it necessary to appraise the property of the Stern-Goodman Company. That firm has property all over California, and a number of pieces of real estate in other states.

BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff, loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment. **THE ROWLEY DRUG COMPANY.**

HAS TWO BROKEN RIBS AS RESULT OF FALL

County Bee Inspector J. E. Pleasant is suffering from two broken ribs sustained in an accident Friday afternoon at his ranch in Santiago canyon. The fractures are bad, and the pain considerable. Pleasant was shaking a limb, or for some other reason bore his weight on it, and the limb broke, causing the man to fall heavily. Pleasant is 74 years old, and it is feared that the fracture will mend but slowly.

Y.M.C.A. SOCIAL FOR TONIGHT

Program of Unusual Interest
Has Been Arranged; Social
to be One of the Best

This evening at the United Presbyterian church will be held the second regular monthly social in connection with the Y.M.C.A. fall and winter work.

The social committee has arranged a program of events which is of unusual interest. Refreshments will be served and altogether this evening social ought to be one of the best to be held this season.

Every member is urged to be present and to bring another young man with him. Each one is asked to come with a pleasant smile, or at least the "making" of one, and ten cents to pay for his share of the refreshments.

These social evenings are to be regular monthly features of the association and have been arranged for the receiving of new or prospective members, and also to enable old members to become better acquainted with each other. Announcements are also made concerning plans for future work.

These regular Monday evening meetings and socials of the association are proving very successful and

it is gratifying to note that the young men are becoming more and more interested in the splendid work which the organization is carrying on in the city. The cabinet urges that a good number of members and friends be present, which will tend to encourage the social committee and officers in their efforts to plan many more enjoyable evenings in the future.

There is not as large an attendance at the regular Monday evening meetings as the cabinet officers desire, but it is hoped the attendance will increase as the season advances.

The members who do not attend the meetings are missing something very profitable to themselves. There are excellent speakers, all of whom are of the most reputable character, and who are especially fitted to handle their respective topics, relating to the welfare of young men in the best possible manner.

The local association is striving to do something worth while for the young men of this city, and their attendance at the meetings and their interest in the work will not only greatly encourage the outers and committeemen, but will stimulate them to larger efforts to secure the best there is in entertainment and instruction for the young men of the city.

HIT BY AUTO BOY IS HURT

William Heard, Son of Constable, Has Deep Cut on the
Back of His Head

William Heard, aged 14, son of Constable Heard, was knocked off his bicycle Saturday evening by a machine returning from the football grounds on French street. Heard was riding home from work when the accident occurred at the corner of French street and Washington avenue. There were dozens of automobiles and bicyclists on the street, and Heard, going in the opposite direction from the one pursued by most of them had a hard time of it dodging along, until finally he was struck by one of the machines and was thrown to the ground, striking the back of his head against the car. He was picked up in a dazed condition. No bones were broken. He sustained a deep cut on the back of his head.

AMUSEMENTS

Program Copy

The mere announcement of the forthcoming visit to the Grand Opera House, Wednesday, Nov. 20, of the noted beauty, Valeska Suratt, in "The Kiss Waltz," has aroused unusual interest, and the number of inquiries indicates that playgoers are aware of the fact that one of the most successful theatrical amusements of New York is to afford them a rare treat in a musical way. Valeska Suratt is the present-day queen of stage beauties, and "The Kiss Waltz" is one of the greatest of the famous New York Casino productions. It is a mixture of Viennese operetta and American comedy, with a dash of French spice thrown in. It was received at the New York Casino—which is undoubtedly the best known musical comedy theatre in America, on account of the many successes that it has housed—rapturously for one hundred and fifty nights, and duplicated the New York success for several weeks in Chicago, Boston and Philadelphia. The music is described as popularly tuneful, the comedy as hilarious, though polite, the costumes are said to be models of current fashions in London and Paris, and the cast, as promised, is composed of singers not usually seen outside of grand opera.

Judging from the alluring program, the entire piece is filled with big musical numbers that have become world-famed, and the comedy is described as of a sort that will put to shame most of the so-called humor of the ordinary musical piece. The coming of "The Kiss Waltz" will be one of the really big theatrical events of the season. A typical Casino chorus of fifty pretty misses, gorgeously gowned, selected from among hundreds of applicants for their beauty and ability to sing and dance, is a brilliant feature. No waltz since the famous Merry Widow waltz has been so deliciously haunting as "The Kiss Waltz," which in the operetta is danced by Guido and the Baroness (Miss Suratt), two of the leading characters. This feature is described as most bewitching, with genuinely rich melody, interwoven with many other rich musical selections of the play. From the rise of the curtain on the first of the two acts it is said the rhythm of song and dance begins, and the whole terminates in a spectacular finale of spirited action and rich tonal quality that gave "The Kiss Waltz" the name of being the dancingest, daintiest, singiest of all musical shows.

"The Kiss Waltz" is the work of the famous Viennese composer, Ziehrer, author of Fritz Scheff's "Mile. Mischief," and the critics of New York, Boston and Chicago credit its melody with being actually equal to the classic octaves of the Gilbert and Sullivan masterpieces. The production will come to this city in all the glory of its magnificent Casino setting—every big and little part as concerns elaborate scenic and costume details. "The Kiss Waltz" is heralded as the most pretentious of all the Casino musical amusements.

In the operetta, Miss Suratt will wear no less than eleven distinct gowns, among them her famous diamond dress, just now the talk of the feminine fashion world.

WISCONSIN "BIG 9" 1912 CHAMPION

Won Last of Unbroken List of Middle West Triumphs on Saturday

CHICAGO, Nov. 18.—The University of Wisconsin's football team is champion of the "Big Nine" this year. Saturday's game was the crowning achievement of an unbroken list of triumphs for the Cardinal colors this fall, and all Middle West football critics unite in declaring that the Wisconsin team has deserved its honors by superiority in every department of the game.

Leading coaches say the "new football" never has received more convincing demonstrations than have been given by the Wisconsin eleven which has shown the ability to devise tactics and execute formations calculated to take the utmost advantage of the open game.

Chicago and Minnesota play for second honors next Saturday. On previous performances Minnesota has slightly the better prospect. The Minnesota team is composed mostly of green players, but the Chicagoans seemed to have found it impossible to get going this season.

Four games next Saturday will end the conference season. Chicago met Minnesota at Chicago, Wisconsin at Iowa City, Illinois vs. Northwestern at Evanston and Indiana vs. Purdue at Lafayette.

Exhibits for Chamber of Commerce C. M. Young, of 422 West Sixth street, brought to the Chamber of Commerce this morning a 136-pound pumpkin for the exhibit room. D. P. Leonard of West Orange contributed a fine sample of corn.

LOS ANGELES PRODUCE MARKET

Dried fruits are rather plentiful on the market, and the demand is picking up considerably. Prices are consequently somewhat more steady, especially in the case of large prunes which are very scarce this year. In general, however, dried fruits are a little cheaper than at this time last year.

Lemons and grapefruit were a little more in evidence than usual on the market, but prices remain about the same. Receipts of apples were light, 602 boxes. Grapes are becoming scarcer and a general tendency toward firmness is noticeable. A considerable quantity of persimmons and pomegranates are steadily arriving and are taking the place of the fresh fruits going out of season.

The demand for onions was very good, although they were rather weak. Receipts were 300 sacks. One sack of beans and ten sacks of sweet potatoes were received. The price on the latter vegetable has been much firmer in the last few days. Receipts of potatoes were 2715 sacks. The demand was very good for other vegetables but price changes were of minor importance.

Receipts of staple products were light, and the market displayed a firm tone. Fifty-three cases of eggs came in, and 16,250 pounds of butter and 500 pounds of cheese were received. The tendency in local butter and eggs is toward higher prices, but cheese is likely to remain steady.

BELIEVE THEY
ARE BAD ONES

Mexicans in Jail Thought to be
Members of a Gang—One
Had Bolsa Shoes

In the four Mexican shop-lifters in the county jail, the officers are convinced they have four members of a gang of Mexican thieves and burglars who have been operating in various parts of Orange county. They have investigated far enough to make them believe that this gang is responsible for the robbery of Spradlin's store at Bolsa about three weeks ago.

C. Madrano and S. R. Carosco, the two men arrested on a charge of stealing six pairs of gloves at Brydon Bros.' store, were taken to Anaheim yesterday. The two men had declared they had never seen each other until just before they were arrested. At Anaheim Sheriff Ruddock and Under Sheriff Squires learned that the two men roomed together for about two months. Madrano is wearing a pair

of shoes identified as a pair stolen in the robbery of the Bolsa store.

As yet the four shop-lifters have not been taken into the justice's court.

Look Like Bad Ones

Police Officers Hamilton and Ryan caught a pair near the Santa Fe depot last night whose actions will bear investigation. Hamilton saw the two men sitting on the curb near the Arcade rooming-house. An intoxicated man got off a car and staggered down the street. The two men got up and followed until they saw Hamilton's star, when they turned south. Hamilton got Ryan, and the two officers arrested the pair. They said their names are J. A. Law and Van Loken. One had a can of red pepper and a flashlight in his possession, and the other carried a big revolver. One of them had a pass-key but he managed to throw it away before the jail was reached.

Law said he was a I.W.W., and demanded that he be taken to jail in a patrol wagon. Ryan got him by the shoulder, and Law walked to jail, grumbling every foot of the way. The two men will probably be prosecuted for vagrancy.

To November 25

The preliminary examination of Catterlin, the man charged with swindling in a land deal, was today continued to November 25.

They Were Begging

James E. Ormsby and John Brown were sent to jail for fifteen days each on a charge of begging.

Paid Fine of \$15

Frank Gilmore, arrested on a charge of disturbing the peace at the Arcade rooming-house, today paid a fine of \$15.

Shot Wrong Man

Three Mexicans were put in jail yesterday as the result of a fracas at the Nutwood ranch west of Anaheim. It seems that Santiago Banderras sought to batter M. Mautrino, and he succeeded to a considerable degree. When Mautrino got all of it he wanted, he drew a revolver to take a shot at Santiago. Someone seized his arm, and the bullet went wide of the mark, and struck Gregorio Robles in the foot. All three men were put in the county jail.

Porto Rico's New Wonder

From far away Porto Rico come reports of a wonderful new discovery that is believed will vastly benefit the people. Ramon T. Marchan, of Barcelona, writes "Dr. King's New Discovery is doing splendid work here. It cured me about five times of terrible coughs and colds, also my brother a severe cold in his chest and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico." For throat and lung troubles there is nothing better. A trial will convince you of its merit. 50c & \$1.00. SHOT THINKING
HIM A BANDIT

U. W. Hall Sets Forth in Legal
Phrases His Reason for Fir-
ing at Kemble

Couched in legal phraseology, the story of the attack made by U. W. Hall on the robbers who had broken into the State Bank at Newport on the night of Jan. 13, last, is told in a document filed in the county clerk's office today.

The document is Hall's answer to the complaint filed by Bradley Kemble asking for \$10,000 damages for injuries received by him the night of the robbery. Kemble was shot down by Hall, who thought he was a bank robber.

The answer sets forth that Hall was a deputy city marshal of Newport Beach, that he heard the explosions at the bank, went there and opened fire. He had a battle with two of the bandits, and just then Kemble ran by at top speed. Kemble had met a robber and was ordered to run. In the darkness Hall did not recognize Kemble. He thought he was a bank robber, and fired. Hall denies that he was unduly careless or willful, that he was acting in what he considered the discharge of official duty.

He denies that Kemble is entitled to any damages from him by reason of the injuries received from Hall's shotgun. Clyde Bishop is Hall's attorney.

VISITING TEAM WAS DEFEATED

Professional Martin Made a
Round on Santiago Club
Links in Thirty-Five

Ten players of the Santiago Golf Club yesterday held a friendly tournament with ten players from the Long Beach Golf Club, and bested them by a score of 24 to 8 up. The impromptu match was played on the links of the Santiago club at the head of Peters canyon, and while a portion of the day produced windy weather for playing, most of it was satisfactory, and altogether an excellent day of play was had. Luncheon was served at the club house.

Among the visitors from Long Beach was Joseph Martin, the professional attached to the Long Beach club. Martin played three rounds yesterday on the Santiago links. The first round was made in thirty-five strokes, a remarkable performance considering the breezes, the condition of the greens, which were not in the best of fix on account of the sweep of the wind of the day previous, and that it was his first visit to these links. In the four-some tournament Martin did not come up to his own mark set in the practice round, his score being forty-two and thirty-seven. Martin was pleased with the course. He said it is one of the best natural courses he has played on in California.

F. B. Browning of the local club has a low score of thirty-five on the Santiago links.

Martin and Dr. C. G. Foote of the Long Beach club played against F. B. Browning and G. B. Shattuck of the Santiago club, and came out ahead with 8 up. In the other four squads, the Orange County players were all to the good. H. T. Rutherford of Santa Ana and A. J. Klunk of Orange had the best of W. W. Campbell and J. E. Counts by 8 up. Clyde Newton and James Fullerton of Orange defeated H. L. Enloe and P. H. Updike with 7 up. L. L. Vestal and John A. McFadden of Santa Ana won from A. C. Erwin and W. B. Julian with 5 up, and J. W. Tubbs, Santa Ana and Dr. Tyrell of Orange had 8 up against Frank Shaw and W. A. Erwin of Long Beach. The tournament was for two rounds, eighteen holes in all.

After the tournament yesterday there was a conference of members of the Santiago club concerning the location of two new greens and tees. No. 1 will be located to the north and east of the club house, No. 2 to the south-east and the present No. 1 will be No. 3. A. J. Klunk of the grounds committee will have charge of the proposed changes.

SATURDAY'S VICTORY AGAINST PASADENA MAY GIVE SANTA ANA CHANCE AT THE CHAMPIONSHIP

In Brilliant, Exciting Game, Local High
School Won From Visitors by Score
Of 19 to 14

If Pasadena High School's football team will do its duty and defeat Long Beach High, Santa Ana High may yet be the football champion of the Southern California high schools playing the old-style game.

This chance came last Saturday when Santa Ana defeated Pasadena by a score of 19 to 14. Long Beach has beaten Santa Ana. If Pasadena beats Long Beach, Santa Ana will be on an equal footing with Long Beach and Pasadena. It will be a kind of three-cornered pussy-wants-a-corner, with the championship in the middle. It depends on Pasadena. If Pasadena gets a drubbing from Long Beach, the stuff is off so far as Santa Ana is concerned. If Pasadena puts up the game against Long Beach that it put up against Santa Ana last Saturday, Pasadena ought to win by two touchdowns. If Santa Ana had played as well against Long Beach as it played against Pasadena, Long Beach would not be under, and Santa Ana would have the championship team. But Santa Ana did not play as well against Long Beach as it did against Pasadena.

Good to Watch
Saturday's game was good to look upon. It had the stuff in it that makes a football game. It was a game full of ginger and "pep." Right up to the last minute of play it was anybody's game. Not until West booted the ball over the posts for the last night with thirty seconds left to play, did Pasadena give up. Not until then had Santa Ana removed every show for victory for the other fellow.

Sensational running, rapid advancing of the ball by terrific plunges and perfect forward passes marked the game. One end of the bleachers was occupied by the local rooers. The other end belonged to Pasadena, here 200 strong, directed by a wiry, acrobatic yell-leader armed with a megaphone. Santa Ana High came out with its band and a huge banner.

Though there was a wind blowing, taking the game as a whole advantages and disadvantages to each team were about evenly balanced.

"Tiny" a Bucker
As the game wore on, the ball-carrying ability of "Tiny" Barker, a powerful youth, stood out in the gains. Time and again he plunged through holes made for him by Santa

Ana's hard-working line. When a wall intervened he had the weight and speed to make it go. Part of his success was due to the fact that he ran low, a point in the game not yet learned by all of the backs of either team. Barker's playing Saturday ought to give him a place on the all-Southern California team picked from high schools and colleges.

It was a good day for Quarterback West. His judgment was at its best. To the generalship of the quarterback and captain, Big Bill Warren, a mountain of strength, a lot of credit is due. West put two field goals across, and without them Santa Ana would have been defeated. And that he might have time to kick, his teammates did their duty admirably in that they blocked every man bent on blocking the kicks.

In the first quarter by a series of line plunges by Barker, Smith, Morrison and West, Santa Ana took the ball down the field, and Barker, in a brilliant buck against what looked like a brick wall, plowed his way to a touchdown. In the kick-out a chance for a goal was lost, and the score was 6 to 0 in Santa Ana's favor.

The elation of the Santa Anans lived only to the second play of the second quarter, for Gibbs of Pasadena got the ball on a clever forward pass, went straight down the line over half the length of the field for a touchdown. Pasadena kicked its goal, and the score was 6 to 7 in favor of the visitors.

This made the game all the more interesting, to be sure, but Santa Ana did not get a long breath until the third quarter when another touchdown was earned, West taking the ball across. The goal was kicked and the score was 13 to 7 in favor of Santa Ana. Pasadena played all the harder, and a series of successful forward passes and runs around tackles, Pasadena scored across the line and kicked a goal, making the score 16 to 14.

Then things did move. A field goal or a touchdown by Pasadena would change the result. Pasadena fought for that score. Santa Ana went at it harder than ever, not only to prevent that score but to make it safe, and the game closed when West put over another field goal, the final score being 19 to 14 in favor of the Santa Ana team.

It was a hard, fast game. "Shorty" Smith, Santa Ana halfback, one of the most reliable men of the team, a good ground gainer and earnest in getting into every play, got a badly sprained wrist, but the bulky back kept in the game almost to the last. Timmons at end had one hand out of commission, but put up a great game. As to that the whole line was fully alive.

The line-up:
Santa Ana: Timmons LE, Pasadene Dolittle LT, Cooffeen LG, Eaton LG, Brantgard C, Williams C, Selph RG, McEnen RT, McAlpine Robinson, Wilcox RE, Gibbs West, Horrell Q, Smith, Robinson LH, Spruill Morrison RH, McDowell Barker F, Hayes

FIRST ANNUAL CROSS-COUNTRY RUN SOON

STANFORD UNIVERSITY, Nov. 18.
On November 23 Stanford will witness her first annual cross-country run. The distance to be covered will be about seven miles and takes in some of the beautiful drives around the campus. Seven cups are to be distributed to the first seven men crossing the finish line. About forty men have been training daily for the past two months for this run.

Full practice was started Monday night when Captain Jack Partridge issued a call for all freshmen to report at the training house. They will be giving setting up exercises, cross-country running and work on the rowing machine. The coaching is done by the former Varsity men. A fine husky bunch reported for the first work. They will not start rowing on the lake until next semester.

The university held a "Jolly-up" in the big Armory, Friday night. These are informal dances, which the entire university attends, where everybody can meet and have a jolly time. It is a non-queening affair, where the fellows go without coats and the girls wear school dresses. No introductions are necessary, thus making it easy to meet one another. The evening is spent by dancing, a stunt program and plenty of eats. Each class holds a class "Jolly-up" each semester.

WHEELBARROW BET PAID BY MARTIN

GARDEN GROVE, Nov. 18.—An affair which attracted a large crowd here last evening and furnished much merriment was the bet carried out by two leading business men of Garden Grove. The leading man in the great farce-comedy was H. B. Martin, who made a triumphal parade through the streets seated in a wheel barrow propelled by A. Brusky. The wager was on the outcome of the national election.

Allen Bros. commenced drying the remainder of their crop of chilis. They have thirty-eight acres and have sold seven-eighths of the crop green, sending out as high as seven tons a day. They expect now to dry all left on the vines.

Miss Mattie Winters of this city will be married Tuesday to Fred M. Shumway of Los Angeles and the young couple will reside on Griffin avenue in that city.

A Wonderful Sale of Pianos and Player Pianos

BIGGEST VALUES EVER OFFERED IN ORANGE COUNTY

Geo. J. Birkel Co. Takes Lease and Buys Stock of Schall Music House

Your chance to buy a good Piano or Player Piano—and buy it RIGHT—to buy on your own terms—has come at last! We've taken over complete the business of the Schall Music House—bought the lease—bought the stock—picked it up at a sacrifice—and will SACRIFICE IT TO YOU. Mr. Schall's instruments are all reliable makes, such as he could recommend and guarantee to you, his neighbors and fellow citizens. They are worth every penny of the prices he placed on them. But we are not satisfied to sell them slowly as he would have done. WE MUST FORCE THEM OUT, THOUGH IT WILL TAKE BARGAIN PRICES TO DO IT. Sale is now on and you can select—

Selling out his business was a real sacrifice to Mr. Schall. Sickness in his family compelled him to make the move. What he has to say in the matter you can read below. Certainly his letter attests to the genuineness of this sale, and the reasons which compelled him to make this sacrifice.

READ MR. SCHALL'S LETTER

Santa Ana, Cal., Nov. 13, 1912.

Geo. J. Birkel Co., Los Angeles, Cal.
Gentlemen:—After careful consideration I have concluded to accept your offer to purchase my entire stock of Pianos, Player Pianos, Player Music, Stools, Benches and Scares. It is, of course, a great disappointment to myself and family that we cannot carry out our plans, establishing a business here, but sickness in my family makes it absolutely necessary for me to return at once to Minnesota. It is for this reason only that I am compelled to accept your offer and act quickly—I personally selected every one of these Pianos and Player Pianos, have sold them for years in my eastern home, know how well they wear and give musical satisfaction—and in turning these instruments over to you, I wish to express my thanks for your prompt action in assisting me to hurriedly adjust my affairs and to recommend these instruments and your very excellent concern to any who may be thinking of buying a real musical instrument.

Respectfully,
(Signed) SCHALL MUSIC HOUSE,
O. A. Schall.

PANAMA CANAL TO BE FINISHED JULY 1, 1913, SAYS COL. GOETHALS

Many Slides in Culebra Cut Will Not Halt Completion—Vessels Will Be Threading Canal in Year

WASHINGTON, Nov. 18.—Practical completion of the Panama canal by July 1, 1913, is assured, according to the annual report of Col. George W. Goethals, chief engineer of the Panama canal.

On that date, despite several slides in Culebra cut during the last year, excavation in the cut will be completed and by August 1, 1913, the spillway at Gatun dam will be ready. The concrete work about the locks and dredging of channels to the sea will be completed between January 1, 1913, and July 1.

Publicity Unwarranted
Sensational importance, not warranted by the facts, has been given to the slides in the Culebra cut during the last year, according to Colonel Goethals. While the slides have increased by 3,595,000 cubic yards the amount of material to be removed from the cut, this fact will not retard the completion of the excavation or increase the cost of completing the cut, according to the report.

More than 34,000 men are employed on the canal work. The decrease in employees accompanying the lessening of construction on the canal was offset by the inauguration of the work on the fortifications and the docks and piers for the Panama railroad and the general terminal facilities. Of the employees 5191 were Americans.

It is recommended by Colonel Goethals that the economy and efficiency committee created by President Taft install a new system of accounting to go into operation when the construction ends and operation and maintenance begins.

Vessels to Pass in Year
While the chief engineer of the "biggest job on earth" does not say it in so many words, the reasonable deduction is that by this time next year the gigantic task will be at an end and vessels will be threading their way back and forth between the Atlantic and Pacific oceans through the world's greatest artificial waterway. The most important work that is yet to be done is the completion of the lock gates. All the steel and other material that is necessary to make these gates are now in the shops of the canal zone and the work is going forward rapidly.

Work of building fortifications to defend the canal, for which congress appropriated \$2,000,000, is progressing satisfactorily. Gun and mortar batteries are being built for defense against naval attack.

of the United States army. The fortifications will embody the latest improvements in battery construction, and any foe of America seeking to run its ships past them or destroy the forts will find them equipped to meet the fiercest attacks.

Detailed Account of Work
The report gives a detailed account of everything that has been done in the zone during the fiscal year which in any way affects the canal commission of the government.

The commission has not only had the actual work of constructing the canal to look after, but its members have had to act as diplomatic agents

for the government in treating with the authorities of the republic of Panama, a task which has at times required the most delicate tact.

In June, 1912, there were 34,957 persons on the payroll of the commission, with an aggregate monthly salary of \$1,500,000.

The population of the zone at the present time is 62,812. Of this number 42,174 are employees and officials of the United States government, their wives and children.

During the year ending June 30 last there were 7055 arrests, involving 6452 men and 603 women.

Conditions at Panama
At the time the report was written there were 414 convicts in the penitentiary at Culebra.

The commission conducts nineteen hotels throughout the zone, three night restaurants, eighteen European laborers' messes and eighteen common laborers' kitchens, out of which it made a profit last year of \$37,517.65. But all these profits accrued from the laborers' messes and kitchens, there being a loss on the hotels of \$12,085.37.

The old French scrap, which the commission bought for \$215,000 was sold for about \$75,000.

Automobiles are increasing in numbers in the canal zone. Last year licenses were issued to ninety-seven

MOST SUCCESSFUL CLINIC CONGRESS OF SURGEONS AT END

NEW YORK, Nov. 18.—The third annual clinic congress of surgeons at the Waldorf-Astoria hotel ended Saturday afternoon. Most of 3000 visiting surgeons returned to their homes after witnessing a number of operations equal in importance to those that took place earlier in the week.

One of the most enlightening events of the session was the cinematographic demonstration of the technique of serial radiography of the stomach, given by Dr. Lewis Gregory Cole at 143 Park avenue. These pictures, taken some days ago by means of ex-Rays, showed all the stages of digestion, from the time food was taken in by persons suffering from stomach trouble. It is said by Dr. Cole that the information thus obtained will be a great aid in the fight on cancer and ulcers of the stomach, in that they really show the beginning of those troubles.

Early Treatment Urged
About 200 surgeons witnessing an operation by Drs. F. Kammerer and Dewitt Stetten at the German hospital, for cancer, were required by Dr. Kammerer to insist that patients apply for treatment in the very early stages of the disease.

At the Roosevelt hospital, Dr. George E. Brewer held a special kidney clinic.

At the New York hospital interest

was shown in an exhibition of "weak foot" plates that have been used by Dr. I. D. Steinhardt with considerable success. Here it was pointed out that many of the foot troubles that at present require treatment by a physician or that cause the victim to speed to the drug store to buy patent powders can be eliminated by the very simple means of a footplate. In many cases, it is said, the right kind of shoes worn in time would effect a cure.

Wires and Nails Used
An operation at the Fordham hospital by Dr. Alexander Nicoll involved the reduction of a knee joint fracture. It was necessary, as in similar cases earlier in the week, to use wiring and nailing devices.

The congress was voted the most successful of any held any place in the world. The number of surgeons present was 3000, exceeding by far the attendance at any other surgical congress. There were more clinics and operations than were ever before held in the same period of time.

One of the most important features of the session was the adoption of a resolution to appoint a publicity committee to take the public into the confidence of the medical and surgical profession in reference to the curability of cancer.

Chicago has been decided upon for the next congress, to be held in November, 1913.

Only a Fire Hero
but the crowd cheered, as, with burning hands, he held up a small round box, "Fellows!" he shouted, "this Bucklin's Arnica Salve I hold, has everything beat for burns." Right! also for boils, ulcers, sores, pimples, eczema, cuts, sprains, bruises. Surest pile cure. It subdues inflammation, kills pain. Only 25 cents at all druggists.—Advertisement.

Strength

The strength of a banking institution consists not alone in its financial resources but also in the character and ability of its officers and directors and in the confidence and loyalty given it by the community of which it is a part. These banks are pre-eminently strong in ALL respects.

Service

The proper conception of a banking institution's duties and privileges includes service to its community. A bank must pay its stockholders a fair rate of interest in order to secure and hold investments in its stock; but its duty does not end here; it must also render REAL SERVICE to its community in the way of public enterprises and private support. These banks point with pride to their records in these respects.

Solvency

A banking institution to be really and truly solvent must have more and other assets than merely money and credits in excess of its money liabilities. It must have a surplus of character, a reserve fund of reputation, a credit balance of experience, large and moral resources. These banks invite examination as to their moral solvency.
